PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 289C1 to Ozona, Texas, as that community's first local aural broadcast transmission service. Ozona is a census designated place (CDP) and is the county seat of Crockett County. Ozona has a population in excess of 3,700 people. Ozona has its own post office, its own fire department, its own school district and a number of local churches. The proposed channel 289C1 will provide additional diversity and an outlet for local self-expression to Ozona residents and therefore is in the public interest.

Should this petition be granted, and Channel 289C1 be allotted to Ozona, Texas, Petitioner will apply for Channel 289C1, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
